

KBL Bat Rules

The following rules are contained in Section I of the KBL Rules

- Rule 7 All bats used for softball must be non-wood. Bats used for softball must comply with the rules set forth in the current NFHS softball rule book.
- KBL considers bats to meet this rule if they are permanently marked with one of the three certification marks below and are not on the ASA banned bat list at usa.asasoftball.com/e/build_bat_one_page.asp

- Rule 8 All bats used for baseball must be non-wood. Bats used for baseball must be permanently marked with the USA Baseball stamp (shown below.)

- Rule 9 All bats provided by KBL are legal.
