

## KBSL Bat Rules

The following rules are contained in Section I of the KBSL Rules

- Rule 7 All bats used for softball must be non-wood. Bats used for softball must comply with the rules set forth in the current NFHS softball rule book.
- KBSL considers bats to meet this rule if they are permanently marked with one of the three certification marks below and are not on the ASA banned bat list at [usa.asasoftball.com/e/build\\_bat\\_one\\_page.asp](http://usa.asasoftball.com/e/build_bat_one_page.asp)

- Rule 8 All bats used for baseball must be non-wood. Bats used for baseball must be permanently marked with the USA Baseball stamp (shown below.)

- Rule 9 All bats provided by KBSL are legal.
